

FOUR SEASONS

PRIVATE RESIDENCES

COCONUT GROVE

A PROJECT BY CMC GROUP
AND FORT PARTNERS

FOUR SEASONS PRIVATE RESIDENCES COCONUT GROVE WILL BECOME A BENCHMARK OF EXCELLENCE AND ELEGANCE IN MIAMI'S MOST HISTORIC AND VIBRANT NEIGHBORHOOD.

Standing in the front row, the prominent building, with its soft curves, blends into the landscape's rhythm. Subtly integrated yet unmistakably a beacon, with open views overlooking Biscayne Bay, it reflects the transient beauty of nature, while mirroring its evanescent charm.

Inside, living spaces offer endless views. The lavish design by Michele Bönan, showcases craftsmanship, quality materials and meticulous attention to every detail all complemented by the services and amenities under the prestigious Four Seasons flag.

COCONUT GROVE

Coconut Grove is a sanctuary beneath the shade of banyan and mahogany trees, creating North America's only true urban jungle. Early settlers once described it as a 'veritable fairyland', a sentiment that remains true today.

Distinct from other Miami neighborhoods, the Grove is a bastion of privacy, subtlety, and understated elegance. It understands the value of quiet luxury and the importance of a close-knit community.

Home to some of the nation's top schools, it has become a magnet for families who seek an education-rich environment, steeped in culture and connectedness. Here, you can go from being deep in nature, to sailing the ocean, or enjoying exceptional restaurants and boutiques all within a day.

QUIET AND QUAIN, COCONUT GROVE IS THE MOST ELEGANT PLACE TO LIVE IN MIAMI.

"COCONUT GROVE IS MORE THAN A DESTINATION, IT'S A STATE OF MIND, WHERE THE LUSH CANOPY OF TREES BLENDS WITH THE SOUL'S SERENITY."

– MARJORIE STONEMAN DOUGLAS

INTERIORS BY MICHELE BÖNAN

Michele Bönan, an acclaimed Florentine architect and interior designer, is renowned for his harmonious blend of timeless elegance and contemporary aesthetics, crafting spaces that are as sophisticated as they are welcoming. On account of his extraordinary sense of style and his sensitivity for details he is referred to the experts as the "Architetto eclettico".

His oeuvre has been honoured internationally with many awards. i.e. JK Place in Rome, Capri and Paris, Hotel Lungarno Florence, Hotel Continentale Florence, Hotel Gallery Art Florence, Hotel Portrait Suites Rome, Palazzo Tornabouni Florence and Boutique Hotel Heidelberg Suites.

"WHEN I TAKE ON A PROJECT, I ADJUST MYSELF COMPLETELY TO THE TASK AND BEGIN TO REFLECT INTENTLY. COMPARABLE TO A MOVIE WHERE I HAVE THE LEADING ROLE, THE PRODUCTION TAKES PLACE IN ACCORDANCE TO ATTIRE, IDENTITY, WISHES AND IDEAS WHICH ARE RELATED TO POETRY AND AESTHETIC/CULTURAL SENSITIVITY."

Bönan frequently designs interiors that resonate with the building's location. In his work for Four Seasons Private Residences Coconut Grove, Bönan weaves a symphony of elements drawn from the verdant tropics, the vast ocean, and the quintessential Floridian charm.

His signature exudes a sense of enduring sophistication, achieved through classic lines, elegant furnishings, and a palette often dominated by neutral tones. By integrating elegant prints, wood, and hues reminiscent of the sea and sky, Bönan creates a cohesive connection between the indoor environments and the natural beauty of Coconut Grove.
